

CHESAPEAKE MATH & IT ACADEMY SOUTH UNIFORM POLICY
MIDDLE SCHOOL

Students are expected to wear the CMIT South uniform at all times while in the school house. Students are to dress and groom themselves to reflect cleanliness and safety. All students should dress appropriately so as not to disrupt or interfere with the educational program or the orderly operation of the school. The Principal shall determine whether any particular use of the school uniform is in violation of the spirit and/or the intent of this school uniform policy. Students and parents are expected to adhere to the uniform policy so valuable school time is not spent examining student attire to determine appropriateness. The uniform policy is in effect from the time students walk into the building to the end of the day when the after school programs are over.

APPLICABILITY: The provisions of this policy apply to all students who are enrolled at Chesapeake Math & IT Academy (CMIT) South Public Charter School. It is issued for information and guidance, and requires compliance at all times. Mandatory School Uniform Policy Disciplinary Procedures

Violations of this dress code shall be treated as disruptive behavior in violation of the PGCPSS Student Rights and Responsibilities. This uniform policy shall apply to all students at all times as they attend school or any school related or sponsored event. Frequent and/or multiple violations will be considered as not only uniform violation but also insubordination.

Consequences for minor uniform violations:

- A. First violation:** Parent contact via SIS points, telephone, e-mail or text message. Uniform violation log must be completed by the student. Administrators may prefer to remove classroom privileges from the student.
- B. Second violation:** Parent contact via SIS points, telephone, e-mail or text message. Uniform violation log must be completed by the student. Parent contact and/or conference, loss of privileges, detention, in school suspension, etc. may be part of the consequences.
- C. Third violation:** Detention and/or in school suspension. Parent conference required.
- D. Fourth and subsequent violations:** Administration will administer a disciplinary consequence in accordance with the PGCPSS Code of Student Conduct. This disciplinary consequence may result in **out of school suspension or removal from class**. The severity of the infraction and the student's willingness to cooperate with school officials and adhere to the standards of the dress code will be factored into disciplinary consequence.

Students who violate the uniform policy multiple times may be banned from having certain clothing options included in this uniform policy. Example: A student who does not follow the policy on the length of skirts multiple times may not be allowed to have skirts anymore until the end of that academic year.

Certain uniform violations may cause student to wait for their parents to come with appropriate clothing.
